

eWiSACWIS Release Notes

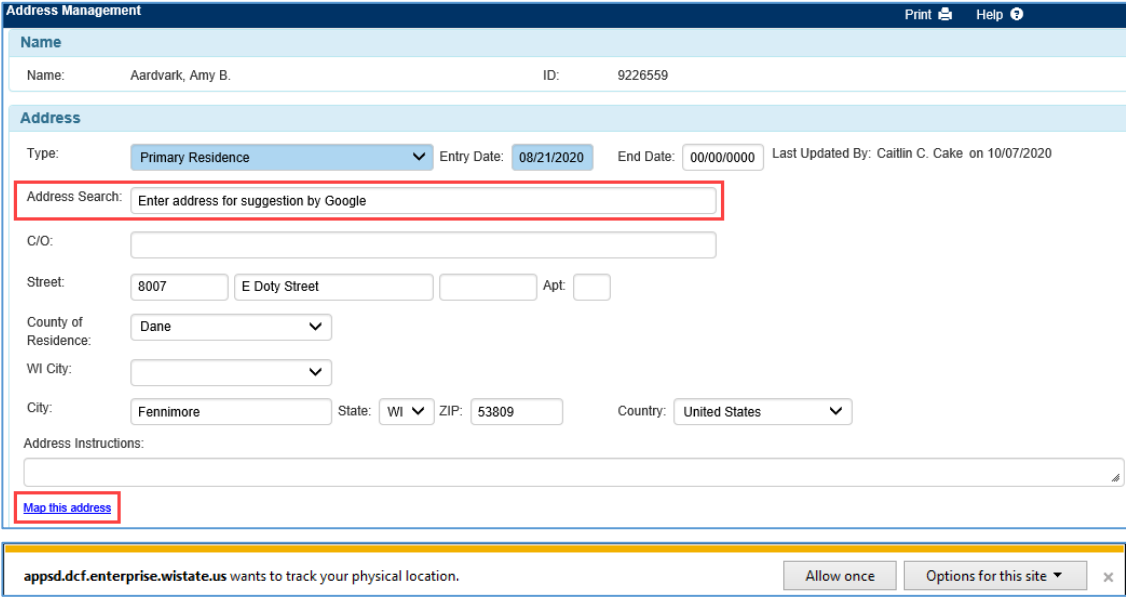

October 17, 2020

Below you will find details relating to changes brought with the October 2020 eWiSACWIS release. These changes may affect workflow, data entry, procedures, and reporting. Some of the changes are the result of policy changes, legislative changes, eWiSACWIS Team input, and issues reported to the help desk by users. For more information, step-by-step videos, and user guides, please visit the eWiSACWIS Knowledge Web: <https://dcf.wisconsin.gov/knowledgeweb/home>

Topic	Description
Access	<p>34591: When linking an Access Report to an existing case where one or more of the Participants on the Access Report are already listed as collaterals on the Collaterals tab of the Maintain Case page, a message displays to automate the removal of collaterals from the case in order to add them as Access Report participants.</p> <p>41852: A new field was added to the Narrative tab of the Access Report page to indicate that the child(ren)'s family members may have American Indian heritage. The 'Yes' radio button pre-fills if at least one person identified on the Parent Info tab of the child's Person Management page has his/her Race listed as 'American Indian/Alaskan Native' or Ethnicity listed as 'Native American'.</p> 
Adoption	42434: The Adoption Referral and associated pages were updated to the new modernized version. Converting to the modernized version allows for future compatibility with other browsers and the ability to adapt to smaller screens on mobile devices.
Assessment	37244: On the Results tab of the Assessment page, if the Assessment Result is "Not able to locate source" and the value in the Case Disposition section is anything other than "Case Closed – Clients Unavailable or Cannot be Located" at the time of approval, a message displays to alert the worker that the values do not align and allow correction of the data prior to final approval.
Child & Adolescent Needs & Strengths (CANS)	42173: The Child & Adolescent Needs & Strengths (CANS) and associated pages were updated to the new modernized version. Converting to the modernized version allows for future compatibility with other browsers and the ability to adapt to smaller screens on mobile devices.

<p>Geographic Placement Resource</p>	<p>42022: The functionality from the current Geographic Placement Resource System (GPRS) has been incorporated into eWiSACWIS. The Geographic Placement Resource can be accessed from the Actions menu on the Desktop. Workers can select either the OHC Placement mode or the Disaster Preparedness mode. The OHC Placement mode uses the interactive map to locate the best possible placement setting for a child. The Disaster Preparedness mode maps a disaster zone and quickly locates providers and children in out-of-home placements.</p> 
<p>Independent Living</p>	<p>42353: A new field named 'Institution' was added to the Maintain Independent Living Services page to document the educational institution the youth attends when he or she receives Education Training Voucher (ETV) funds.</p>  <p>42354: The "Schedule ILTD Mtg" tickler was modified to display 180 days prior to the youth's 18th birthday in order to remind the worker to schedule the Independent Living Transition to Discharge (ILTD) meeting.</p>

<p>Person Management</p>	<p>42511: On the Address Management page, a new field named 'Address Search' was added to validate addresses. This field looks up addresses as they are being typed to allow for the quick selection and pre-fill of the most accurate address information. For best results, it is recommended that you allow your physical location to be shared; a message appears at the bottom of the screen when using the Address Search field. A hyperlink named 'Map this address' was also added to the tab, which opens a map with the address pinpointed.</p>  <p>The screenshot shows the 'Address Management' form. The 'Name' section contains 'Name: Aardvark, Amy B.' and 'ID: 9226559'. The 'Address' section includes a 'Type' dropdown set to 'Primary Residence', 'Entry Date: 08/21/2020', 'End Date: 00/00/0000', and 'Last Updated By: Caitlin C. Cake on 10/07/2020'. A new 'Address Search' field is highlighted with a red box, containing the placeholder text 'Enter address for suggestion by Google'. Below this are fields for 'C/O:', 'Street:' (with '8007' and 'E Doty Street'), 'Apt:', 'County of Residence:' (set to 'Dane'), 'WI City:', 'City:' (set to 'Fennimore'), 'State:' (set to 'WI'), 'ZIP:' (set to '53809'), and 'Country:' (set to 'United States'). At the bottom of the form, a 'Map this address' link is highlighted with a red box. A system message at the bottom states 'appsd.dcf.enterprise.wistate.us wants to track your physical location.' with 'Allow once' and 'Options for this site' buttons.</p>
<p>Provider</p>	<p>On the Home Provider page, references to BMCW under the 'Lcns.Type' and 'Lcns. Agency' fields were inactivated and replaced with DMCPs. When DMCPs is selected as the License Type, two values are available for the Licensing Agency: DMCPs – CSSW and DMCPs – SaintA. Existing home provider records with BMCW values were converted to the new DMCPs values.</p>
